

St. George Project Services

Our Team... Your Success

Environmental Policy

St George Project Services is committed to continual improvement in minimising the environmental impacts associated with our operations.

Our key points to achieve this are:

- We will ensure our activities are conducted in accordance with this policy and current environmental legislation requirements;
- We will adopt the reuse, recycle principles to minimise environmental impact;
- Inform all staff and subcontractors on current environmental procedures so they can respond in a timely manner;
- Have suitable and well maintain equipment on site.

Luke St. George
Managing Director
