ENVIRONMENTAL POLICY

Revision 3 – March 2020

St George Project Services is committed to continual improvement in minimising the environmental impacts associated with our operations.

Our key points to achieve this are:

- We will ensure our activities are conducted in accordance with this policy and current environmental legislation requirements;
- We will adopt the reuse, recycle principles to minimise environmental impact;
- Inform all staff and subcontractors on current environmental procedures so they can respond in a timely manner;
- Have suitable and well maintain equipment on site.

A handwritten signature in black ink that reads "L. St. George".
