

THE ROUNDUP

St. George Project Services

Our Team... Your Success

Edition 14 - 18 June, 2021

BRENDEN'S BROADCAST

Hi Team

From talking to many of you over the last month it would appear that everyone is busy, and some are about to get even busier.

Townsville City Council have issued a Purchase Order to us to provide Program wide Superintendency/PM services across the portfolio of Water and Wastewater projects for the next financial. This is a fabulous and unique opportunity that has been created through the strong relationship and quality of client service that TCC have received from SGPS on various projects over the last 12 months or so. Matt Schembri has been charged with undertaking this engagement and it is something that I know he is looking forward to. I would like to acknowledge and thank the following people for their efforts in building such a trusting and strong relationship, because without your dedication, patience and efforts this opportunity may not have come to fruition, well done to Matt Schembri, Andrew Mee, Johannes Inoke, Paul Thompson, Dwayne Ellem and Paul Marano.

RoadTek Townsville have also advised me that a formal RFQ is about to hit the market seeking two Project Managers/Engineers for some interesting upcoming work. With Marc Dickeson and Bec Grigg already providing services to RoadTek this could present us with another unique opportunity to having multiple SGPS personnel working together.

Andrew Mee will be taking over Mil Jayaratne's role at TMR Townsville as Mil begins to ease into the ring road 5 arena. It is also likely that Andrew will be undertaking more than just the pre-con activities from Mil but has been advised that he will provide PM services to some delivery projects on high-risk roads.

Karl Schipanski has commenced and is getting up to speed with his role in the TMR Townsville Maintenance space replacing Matthew Boschen. I would like to acknowledge Matthew for his time with SGPS and ensuring a smooth transition between he and Karl. We wish Matthew the very best with his future endeavours.

That is it for now folks!!! See you all at the Mid-Year Mingle in July and hopefully will be able to deliver some more good news.

CONGRATULATIONS

Congratulation's to Clint and Sophie who celebrated their marriage in Palm Cove on the 5th June. Wishing you both love and happiness in your new future together.

WELCOME TO THE

We would like to welcome Karl Schipanski to the SGPS team! Karl is taking on the role of Maintenance

Engineer for TMR Townsville.

The SGPS Way

Word's of wisdom from

Luke St. George

"Inclusion not Exclusion forges the greatest results"

Bruce Highway Safety Upgrades Mackay to Proserpine (10H) for TMR Mackay/Whitsunday District

Shaun Hackney - Administrators Representative

Scope of Works: Overtaking lane construction, intersection upgrades, roadside hazard reduction works and rest area construction.

Value: \$20M. Funding (80% federal, 20% state).

Contractor: RMS Engineering & Construction

Planned Completion Date: November 2021

Current Challenges: Weather delays, safety of staff while working on the Bruce Highway, limited availability of experienced construction personnel, limited subcontract traffic management personnel.

*Kinnears Rd intersection realignment
80km north of Mackay*

*Wintons Rd intersection upgrade at prime
stage 60km north of Mackay.*

TMR Edmonton to Gordonvale (E2G) Project

32 meter boom pump, pouring the down stream apron/service way. 72m3 pour for Queensland Rail.

Townsville Ring Road 5 (TRR5)

On Wednesday (02/06/2021) Georgiou conducted a Welcome to Country and Smoking Ceremony with members of the Gurambilbarra Wulgurukaba (GW) Traditional Land Owners Group. This event was an important part of acknowledging and paying respect to GW who are providing welcome and blessing to the project.

WEEKEND WARRIOR

Clint was part of a winning team when Jenkins Motorsports competed in the NQ vs SQ sprint car challenge held at Cairns Speedway.

Brenden caught this monster Red Emperor at his secret fishing spot on the reef on the weekend. One happy Fisherman!

Sheree got "Tartaned Up" for Townsville Tartan Day for the Townsville Scottish Community held at the Cotters Market on the weekend. Sheree and her team from Valhalla Strength Townsville put on a display of Stone lifting.

Jodie and Chester had a nice win at the Thurin-gowa Kennel Club Shows on the weekend. A little star struck as the judge was Actor Rebel Wilson's mum!

NQ Branch Conference

Townsville, 16-18 June 2021

IN PARTNERSHIP WITH
TOWNSVILLE CITY COUNCIL

The IPWEAQ 2021 NQ Branch Conference took place this week at Rydges Southbank Townsville. The 3-day event hosts delegates from various Council's and organisations throughout NQ. SGPS sponsored the welcome function, where Mil opened with an excellent speech introducing the SGPS to attendees. Brenden came home with a signed Cowboys jersey, being the highest bidder at the charity auction for Rural Aid Australia.
